Intro: You have now been hooked on phonics  
productions  
{Diamonds....Diamonds...Diamonds...Diamonds}

[Chorus K-Young]  
She said she wants diamonds (diamonds)  
does she really need diamonds (diamonds)  
then she tease her diamonds (diamonds)  
so I blind her with my diamonds  
she knows I'm all about diamonds...

[Verse 1: The Game]  
K-Young check it out...Look  
she my princess cut, met her at Jacobs with a NBA  
nigga like whats up  
Shaun Merrion walked to the back left her in the cut  
Ed Hardy head to toe and the timberlands was plushed  
(plushed) So i passed her my Blackberry on the hush  
(hush)  
maybe later you can be my diamond and we can crush  
(crush)  
and we aint gotta crush on the first day 'cause when I  
put these hand-cuffs on it's your birthday  
he shouldn't have left you like that, in the first place  
but I'm a leave you like this and we can swim in this  
Cris, take a bath in Patron, get loose with the Goose,  
wear your ? and Louis Voutton we can sit by the ?  
girl you doin that, so keep doin that, you remind of  
yeah,  
im losin it, word to the crucifix, she so illusive shit, you  
'bout to lose your bitch, she on a nigga dick

[Chorus K-Young]  
She said she wants diamonds (diamonds)  
does she really need diamonds (diamonds)  
then she tease her diamonds (diamonds)  
so I blind her with my diamonds  
she knows I'm all about diamonds...

[Verse 2: The Game]  
She my diamond girl, she like to throw up the rock, but

if it ain't about Siegal then that shit gonna stop  
she got her Jay'z mixed up, one of us went Pop, one  
ride 26's, other one ride stocks  
one of us hugged B, the other one hug the block, they  
both love BIG but one of 'em fucked with 'Pac  
they both touched the mill, seen stallions on the real, I  
let you decide whats real and not real  
you a knock out, I put your wrist on chill, she know i  
keep an end raised like Evander Holyfield  
so, we can box it out, I pull that Boxter out and tell Mr.  
Chow to bring the lobsters out  
she a vegetarian, she went the pasta route, she like  
carrots on the side so I rocked her out  
he want his ring back, now they have a standoff she  
stealin diamonds girl, so I got to cut your hand off

[Chorus K-Young]

She said she wants diamonds (diamonds)  
does she really need diamonds (diamonds)  
then she tease her diamonds (diamonds)  
so I blind her with my diamonds  
she knows I'm all about diamonds..

[Verse 3: K-young]

Just like a VVS, your shines all the time and I'm so  
impressed (yeah)  
we can have expensive sex, take the diamonds out the  
bag drop on your chest  
\*So flawless\*  
So I'ma give you the best, put them princess cuts on  
that B dub S (Oh-oh-oh)  
get your shine on, like Vegas city lights ? cut you  
through this ice and put them back ?

[Chorus K-Young]

She said she wants diamonds (diamonds)  
does she really need diamonds (diamonds)  
then she tease her diamonds (diamonds)  
so I blind her with my diamonds  
she knows I'm all about diamonds..
