Handin' out slugs
Out the Six fo' five sittin on dubs
With some real crips
And some real bloods
I ain't with the bullshit nigga ease up

High in the air got the wrist freezed up
Same nigga that don't bang
But you can back yo ass up nigga cos the fif' gon'

While you at it move your eyes off my wallstreet chain
They say we movin' like an organised street gang

New westcoast we doin' a damn thing
This shit we make power moves wit' OG's that been

Never heard of defeat bitch I don't know how to lose
Thought it would end but it seem we ain't done
Boy waging war on a coast he ain't from
Tryna pit niggaz against us
