(50 Cent)

I never said anything, I never take anything back  
(Young Buck)  
Well you kinda heard me speaking  
"You ain't a crip like Snoop, you ain't a blood like  
Game"  
And i was speaking on Game without knowing him  
But now, you know a lot of these dudes jump in the  
game  
And they rap artists, and that's exactly what they is  
But they not what they say they are when they rap it

(T.I.)

Everybody wanna be the king of the south but,  
They ain't runnin the damn thing but they' mouth  
No doubt, it's all good, y'all just stay in y'all opinions  
But in the South and in the hood it's understood without  
saying  
It's a given, and it ain't cause what i'm doin for a livin'  
It's more because of what i'm doin how i'm livin  
Not to mention when i'm rappin, i'm just hurtin niggas  
feelings  
And still chillin on somethin that's into healing  
Man, permissions from the Click to continue to keep it  
pimpin'  
But while the crack was in the house, the record sale  
went thru the ceiling  
So say what you want, and do what you please  
But for fun i shoot 22's from your shoes to your knees  
I run a record label and a crew of G's  
So niggas'll come and look for you if you sneeze  
Or even breathe the wrong way  
You better do what the song say and be easy, else it'll  
be a long day

I'm a king - bank rolls in the pockets of my jeans  
I'm a king - you pussy niggaz couldn't see me in your  
dreams  
I'm a king - top topic of all of your magazines  
I'm a king - head of the body, leader of the team  
I'm a king - remember I can get your block knocked off  
I'm a king - a Bentley coupe with the top knocked off

I'm a king - I'm connectin nationwide but in the South  
I'm a king - just respect it and keep my name out'cha  
mouth

(The Game)

Everybody wanna be the King of the West  
But, they ain't runnin the damn thing in the West  
That's to bad, it's all good, they just speakin they  
minds  
Stand on top of the Hollywood sign, you can see that  
it's mine  
I'd rather die, motherfucker, than give up my throne  
My crown is a Dodger fitted, California's my home  
And it's known when the drama pop off, i bring the  
chrome  
So nigga leave me alone, 'fore i start living my songs  
I made a killin drug dealin, some people say i'm a  
villain  
Went from choppin' in the house, to the top of rap  
gettin millions  
So watch your mouth, unless you ready to bleed  
Cause to me, murderin wack mc's is somethin like a  
disease  
Top down in the Impala, so i can ride in the breeze  
And where i'm from, niggas throwin up B's and C's  
So make a turn the wrong way, think about what the  
song say  
And be easy, else it'll be a long day

I'm a king - bank rolls in the pockets of my jeans  
I'm a king - you pussy niggaz couldn't see me in your  
dreams  
I'm a king - top topic of all of your magazines  
I'm a king - head of the body, leader of the team  
I'm a king - remember I can get your block knocked off  
I'm a king - impala with the top chopped off  
I'm a king - I'm connectin nationwide but in the West  
I'm a king - disrespect it i hit your brains with the tech

Keep your eyes off my throne and your hands off my  
crown  
Or get your ass layed back,  
Keep your eyes off my throne and your hands off my  
crown  
Or get your ass layed back,  
Fuckin with Black Wall Street & Pimp \$quad Click  
Get layed out like a drunk, on the late-late  
So haters hate, the hell with all the hearsay  
From wednesday to tuesday, T.I.P. act a fool, hey

I'm a king - bank rolls in the pockets of my jeans

I'm a king - you pussy niggaz couldn't see me in your  
dreams  
I'm a king - top topic of all of your magazines  
I'm a king - head of the body, leader of the team  
I'm a king - remember I can get your block knocked off  
I'm a king - a Bentley coupe with the top knocked off  
I'm a king - I'm connectin nationwide but in the West  
I'm a king - disrespect it i hit your brains with the tech
