[50 Cent]

I never said anything, I never take anything back

[Young Buck]

Well you kinda heard me speaking

"You ain't a crib like Snoop, you ain't a blood like
Game"

And I was speaking on Game without knowing him
but now, you know alot of these dudes jump in the
game

and they rap artists, and that's exactly what they is
but they not what they say they are when they rap it

[T.I.]

Everybody wanna be the king of the south when
they ain't runnin the damn thing with they mouth
no doubt, it's all good, y'all just stay in y'all opinions
but in the South and in the hood it's understood without
saying

it's a given, and it ain't cause what I'm doin for a livin'
it's more because of what I'm doin how I'm livin
not to mention when I'm rappin, I'm just hurtin niggaz
feelings

And still chillin on somethin that's into healing
Man, permissions from the Click to continue to keep it
pimpin'

but while the crack was in the house, the record sale
went thru the ceiling
so say what you want, and do what you please
but for fun I shoot 22's from your shoes to your knees
I run a record label and a crew of G's
so niggaz'll come and look for you if you sneeze
or even breathe the wrong way
you better do what the song say and be easy, else it'll
be a long day

I'm a king - bank rolls in the pockets of my jeans

I'm a king - you pussy niggaz couldn't see me in your
dreams

I'm a king - top topic of all of your magazines

I'm a king - head of the body, leader of the team
I'm a king - remember I can get your block knocked off
I'm a king - a Bentley coupe with the top chopped off
I'm a king - I'm connectin nationwide but in the South
I'm a king - just respect it and keep my name out'cha
mouth

(The Game)

Everybody wanna be the King of the West
but, they ain't runnin the damn thing in the West
that's to bad, it's all good, they just speakin they minds
stand on top of the Hollywood sign, you can see that
it's mine
I'd rather die, motherfucker, than give up my throne
my crown is a Dodger fitted, California's my home
and it's known when the drama pop off, I bring the
chrome
so nigga leave me alone, 'fore I start living my songs
I made a killin drug dealin, some people say I'm a
villain
went from choppin' in the house, to the top of rap gettin
millions
so watch your mouth, unless you ready to bleed
cause to me, murderin wack mc's is somethin like a
disease
top down in the Impala, so I can ride in the breeze
and where I'm from, niggaz throwin up B's and C's
so make a turn the wrong way, think about what the
song say
and be easy, else it'll be a long day

I'm a king - bank rolls in the pockets of my jeans
I'm a king - you pussy niggaz couldn't see me in your
dreams
I'm a king - top topic of all of your magazines
I'm a king - head of the body, leader of the team
I'm a king - remember I can get your block knocked off
I'm a king - impala with the top chopped off
I'm a king - I'm connectin nationwide but in the West
I'm a king - disrespect it I hit your brains with the tech

[The Game]

Keep your eyes off my throne and your hands off my
crown
or get your ass layed back

[T.I.]

laid out like a drunk, on the late-late
so haters hate, the hell with all the hearsay
from wednesday to tuesday, T.I.P. act a fool, hey

I'm a king - bank rolls in the pockets of my jeans
I'm a king - you pussy niggaz couldn't see me in your
dreams
I'm a king - top topic of all of your magazines
I'm a king - head of the body, leader of the team
I'm a king - remember I can get your block knocked off
