Chorus:

It must be tough, seeing your boys doing the same shit
Ride around in things that you can't get!
With the windows down, puffing like it ain't shit
It must be tough, it must be tough
Seeing the glam from aâ€¦
Seeing twenty â€¦ looking dangerous
Everybodyâ€¦ the same shit
Count money, nigger!
Tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Thousands, thousands, thousands!
It must be tough!
It must be tough watching a nigger ball likeâ€¦
My cause is all yellow, my broads is all yellow!
What's wrong with you, fellows?
You're fucking off my energy
Used to be my ace, now you're wasting my Hennessy.
The remedy for haters is crack tables in Vegas
That cracking getting â€¦ I'm stacking that paper baby
Maybe I should get a maybe, or maybe I should baby
My cash money is crazy, I crashed my Mercedes.
And bought me a Ferrari, the license plates say sorry
The inside is safari, you thinkâ€¦
When the sun hit that bitch, land on my wrist..
you better keep your arm on your bitch, man, or you will

..

And it's insane, man!
Your bitch gonna make it rainâ€¦
Hey, hey, hey, hey

Chorus:

It must be tough, seeing your boys doing the same shit
Ride around in things that you can't get!
With the windows down, puffing like it ain't shit

Seeing twenty â€¦ looking dangerous
Everybodyâ€¦ the same shit

For my bread, bring theâ€¦ cause they're sick on the..
Acting like I don't get it, act it like I don't hustle
Acting like I don't get it, acting like I don't rustle
..you wonder where I be, acting like I don't trust you
â€¦fuck you, next time I see you, I cut you!

Nigger I could have snuffed you!
Buy a hater cause I'm feeling like Jedi
Nigger, we gonna make it!
