[Verse 1: Nipsey]

When you come from depression, to the lust for
possessions

Gotta make an impression, but you can't wait for your
blessing

Model bitches stip naked, while i sip on this Texas

I'm pushing this German, Jesus piece on my necklace

These niggas gon' test ya, and these bitches is reckless

And that money go fast, I hope you paying yo' taxes
All the questions they askin', all the cameras that's flashin'

All the stress that come with it, it's like you hustling backwards

If you ain't breaking the bank, so we go hard everyday
And the sacrificial lamb is just the part that you play
When you the first one in yo' fam to have the heart to get paid

Had the smarts to switch lanes, had the guts to be brave

Now, and now you a star on the stage

And once they cut on them lights, no turning 'em off, that's part of the game

Wow, people caught up in your fame

And never will it be the same, this shit is expensive, the price that we pay, that's why I..

Clip tossin', since niggas is brick flossin'
Now the bloods wit' Slauson so niggas go get coffins
Comptons like NFL, niggas get hit often
Heavy but I green, make niggas forget Boston
Red bone bitch, she high on blue dolphins
Head game sick, she bi and switch often
It's kush, bitch quit coughin', my six got streets talkin'
Timbo, this shit scorchin', got Bloods and Crips walkin'

It's Nip, so get up off him, we like Biggie and Jigga
mayne

And Nickerson's Marcy, Bed-Stuy is Slauson
My flow somethin' like Nassir, I should put a pause here
â€¦.Run and tell them niggas the God's here

This California kush got me in God's ear
We got them Ace of Spades, but ain't no cards here
Just a Crip, a Blood, a couple exotic cars here
And these extra long clips like Lamars here, Nip
