Ok, whassup, this ya boy 50 Cent
Yeah,
And it's goin down right here, you heard me?
I'm Craaaazy,
Off the massacre
Aftermath,
Check it out
G-Unot!

[Hurricane Game]
Bitches only feel ya shit just a lil' bit
Niggas only feel ya shit just a lil' bit
The hood only feel ya shit just a lil' bit
Stop the singin', lets get back to some killa shit

[Hurricane Game]
Step up in the club they like who you wit,
I'm signed to Dr. Dre not G-Unit,
Red rag in my pocket, feel that old school,
You forgot how bullets feel, Im'a show you,
I'm a gangsta I do what I want to,
Your time is up nigga, I dun warned you,
You got the police with you nigga don't trip,
I got a box of doughnut's and a whole clip,
When it's time for beef he gets his drink on,
Animal Rights said kill him with that mink on,
I'ma kick it by the car till it's time to go,
And I wont leave the scene til the police show 'cause

[Chorus]
Bitches only feel ya shit just a lil' bit,
Niggas only feel ya shit just a lil' bit,
The hood only feel ya shit just a lil' bit,
Stop this singin', lets get back to some killa shit

[Hurricane Game]
Remember 50 comin' out your stereo,
Sounded gangsta till he switched his flow,
How many times I try to get you to hit the smoke,
Stop lying to the people you don't twist the dro,
My tech is snit my clip is long,
And the Bloods and Crips is on you door,

They must've heard that you a ho,
Got G-Unit airbrushed on your toe,
I bring the pump in the club cause I'm hurricane,
And I do these rap beefs all the time man,
They say at summer jam I turned it out,
But Kanye and Hova killed it without a doubt,
The rat came out dancing like a pro man,
Punch him in the face the crowd was like oh man,
Four months ago I was yellin' G-Unit,
Till I found out the nigga 5-0 is a snitch,
Now..

[Chorus]

Bitches only feel ya shit just a lil' bit,
Niggas only feel ya shit just a lil' bit,
The hood only feel ya shit just a lil' bit,
Stop the singin', lets get back to some killa shit
