She said she wants some christians  
She get out of work at five  
So I took her ass to church  
And got her baptize  
Yeah you are christian now  
You are christian down  
So pick up that bottle and...

Girl ypou pick up the...  
Walk to the register  
I am about to take your ass to coach  
And we are gonna have...  
Whatever we got to be  
... I am gonna fly first class  
And you are gonna be...  
Put a little patrol bottles...  
Get a whole of... now you are a hell...  
Tell them how... sucking on my...  
Talking about get you a ring bitch  
I put you on... smartphone  
Burberry... all these hoes want  
Money money money  
Money money money  
Money money money  
Money money money  
Money money money
