Verse 1 (Dissing 50 Cent & G-Unit)

Let me tell you a story about this bitch I know
Grew up on the south side sucking dicks for dough
Give her a half a dollar, she'll put on a show
Do anything to be in a Dr. Dre video
The bitch went hollywood, one trip to the west coast
She got f**ked by this white bitch, had her legs wide
open
As long as my pockets were fat I didnt give a f**k
where the bitch was at
My pretty young bitch keep my nuts drained
But all the time she was plotting on my Aftermath chain
Bitch couldnt stay in here lane
Started running with this hoe from the south
Gold grill in her mouth, she put her on the track
Gave her, her first thong, introduced her to her two
girlfreinds from back home
F**ked the industry, tryna take the fast route,
Ran into a gangster and he turned they ass out.

Chorus

You gon' always be my bitch, my bitch, my bitch,
and I'ma always love my bitch, my bitch, my bitch, my
bitch,
I can always f**k my bitch, my bitch, my bitch,
and she gon' always be my bitch, my bitch, my bitch,
my bitch.

Verse 2 (Dissing Jay-Z)

From the projects hustled all day
Niggas called her Sophie from around the way
Used to play hard to get, so they thought she was gay
Booshie bitch who ever thought she was raised in B.K.
Moved out the hood, changed her name to Jay
Told everybody she'll be working with a mill one day

I was introduced to her back in '96
She had a wavey haircut and some big ass lips
At first she was hard to hit, come to find out the last 10
years she been sucking Big dick
Got a family now, a house made of bricks
[My Bitch lyrics on]

Four grown ass kids and aint none of them shit
She still my bitch so I stayed around
But she always tryna Dash when other Dame's around
She tryna play The Game, but I got the bitch number
She said she won't, but she'll be back next summer.

Chorus

You gon' always be my bitch, my bitch, my bitch,
and I'ma always love my bitch, my bitch, my bitch, my
bitch,
I can always f**k my bitch, my bitch, my bitch,
and she gon' always be my bitch, my bitch, my bitch,
my bitch.

Verse 3 (Dissing Suge Knight)

Last but not least my gangsta bitch
From Compton always in and out of jail and shit
Bitch tried to burn Snoop, stole Chronic from Doc
Blew the whole west coast, even tried to f**k Pac
Type of bitch to stand on Beverley Hills
Word on the street's she got a few real niggas killed
I look up now she on my dick, telling me how she
always gonna be my bitch
Pop up at award shows always following me
Bitch doing dumb shit, got a college degree
No pre-nupt, one nigga got stick with her
I was smart knew always not to f**k with her
What goes around comes around, scandalous shit -
somebody tried to kill that bitch
Burnt the bridges and aint had one freind left
Niggas that know her called her the devil in that red
dress

Chorus

You gon' always be my bitch, my bitch, my bitch,
and I'ma always love my bitch, my bitch, my bitch, my
bitch,
I can always f**k my bitch, my bitch, my bitch,

and she gon' always be my bitch, my bitch, my bitch,
my bitch.
