Specially when im looking rocky
Trade with the brokly with the handles on a kawaski
Hand on my chuz with the customs of mah shoes

In mah neighbourhood

Never shuffled the cakez so come up in mah face
And run up in the place
Im a superstar
Think of mah chain

80 Carrotz on my pinky and ring
Goosebump when u speaking of mah name
Cuz im deep in the game
With Tackle and things
The million dollars Planes
Im a maniac
Young boy gonez
Like a Young Roy Jones
Whoz outta da zone
And aint no body home
In mah neighbourhood

Drop your body when the cagez arrive

Im a shiny star
and i gotta hit the bolevard
In that new jaguar
Why does he move throught traffic like that
Purple haze
road rage
the OJ
the ganstah leans
so please believe that i keep 2 G in my jeans
2 gats in my sleeves
2 rats in mah beam
X5 Mami let ride
Reeveing in and out from traffic from Compton to da

It the kid from the far west star
Oh shit
He only know how to do more then filp pies
Get money like them stick up guys
Then motion 11-less got the young kids rich for life

And i aint talking bout the movie or George Clunning

Runnin in the spot with Ozzi's tucked in the cuggis
Do me?
