[chorous, game]i get hight man you get high man  
smoking haze and chocolate tie man  
i get low man you get low man  
gold daytons on my 64 man  
im on fire man you on fire man  
???

i get ghost man you get ghost man  
stunner shades when im in the oh man  
[V1, juice]  
baby ima stuna 64 rag top treat my car like my bitch  
now watch when that ass drop  
45 on my lap incase i gotta pop some, in the car dam u  
think mitzerali got some triple go hundred spoke sitin  
on the white walls run up on my car mother fuker im  
physco like bishop n juice mother fuker im physco all  
chromed black come equiped with that night glow  
homie wont fuk around roll up lay em down set em on  
fire mother fuker its my town twist up blow a pound  
hennesy throw it down bitches pantys hit the ground  
everytime i come around nigas throwing dubs up every  
time i come around west coast mother fuker thats how  
its goin down hid in my lap thats how its goin down ??  
(dj haze)

[chorous]  
i get hight man you get high man  
smoking haze and chocolate tie man  
i get low man you get low man  
gold daytons on my 64 man  
im on fire man you on fire man  
???

i get ghost man you get ghost man  
stunner shades when im in the oh man

[v2]  
im in the lambo switchin lanes ridin with the doors up  
bitches hopin out the car every time i roll up mix hash  
with the chronic everytime i roll up know wer i been in  
the gym pockets lookin sweld up im cocky so what  
tryna fuck rihanna cause jay z got beyonce slowed up if  
you dont like my style nigga slow it up if u dont like my

coast then dont blow it up u drink patrone let me see  
you throw it up she tryna drink with a prow now watch  
her throw it up im drinking my liquor with all of my  
niggas this black wall street bitch and we aint takin no  
pictures we just pick the hoe when they hit the floor but  
when they hit the dough we just pick some more air  
force ones on the gas tell me when to go if you aint  
fucking on the first night let a nigga know

[Chorus]

i get hight man you get high man  
smoking haze and chocolate tie man  
i get low man you get low man  
gold daytons on my 64 man  
im on fire man you on fire man  
???  
i get ghost man you get ghost man  
stunner shades when im in the oh man

[midle]

we b drankn drankn smokn smokn bluntn bluntn ?lowkn  
lowkn?  
we b rollin free will motion same gold d's we straight  
west coastn x2

[v3]

might catch me in a fast car thinkin its a nas car niggas  
never seen a glass house with a crash bar all chromed  
throught the exhaust dumb niggas tryna flause pull up  
on the v12 tlkn bout the super charge watch me switch  
cars 64 impila hit the switch dawg nigga i said hit the  
switch dawg twist you fingers up and when d's hit the  
ground throw your dubs up

[Chorus]

i get hight man you get high man  
smoking haze and chocolate tie man  
i get low man you get low man  
gold daytons on my 64 man  
im on fire man you on fire man  
???  
i get ghost man you get ghost man  
stunner shades when im in the oh man
