Sitting on the subway looking like who is that?
The boy got... hood new york...
You can never miss me, we are cool at that,
They love me, I holler like a ten dollar...
I spit that old street blues, yeah,... rap
My style is big...
I said my style is big...
If I skip to next track...
Goes to manhattan, see what...
... cause we're... in the fashion!
Madison square, gandhi, feeling like...
Jordan's... fresh to death, my gears in the coffin!
... nigger coughing and blowing...

Chorus:

Riding in the old train, listen...
I'm just riding in the old train, listen...
Riding in the old train, listen...
I'm just riding in the, old train listen...
Said I'm riding in the old train, listen to the...

... you nigger is copy pets, my style is...
I ain't shot... cut me on cold weather,
And all I do is win,...
... niggers riding in,
Killers from... niggers out here robbing 'em,
And even get... ain't coming to him.
Keep thinking... that lien and how you...
... for god I was on the hook,
... for corner hustlers,
Bad kings, mcs all wanna fuck with us.
Blowing trees like the winter city,
Nigger, I blow trees in the winter city

Chorus:

Riding in the old train, listen...
I'm just riding in the old train, listen...
Riding in the old train, listen...
I'm just riding in the old train, listen...
Said I'm riding in the old train, listen to the...

I've been...
First forty eighty,
Ain't nothing about the gold, damn, nigger my fans...
And ever since they locked my nigger's old damn
Everything slow down, but my nigger... is on!
The homie... put the bosses on,
We blow horns like the dolphins' song
And we don't force the... that new era fly off the...
I'm about to take my time to south beach,
I don't even go to the games, but gotta...
Ain't no tricking, daddy,... have a couple mojitos to fuck
him like the...
Riding down... in a place they think I'm uncle luke,
Tony montana, who the fuck is you?
I'm the old west side...

Chorus:

Riding in the fast lane, listen...
I'm just riding in the fast lane, listen...
Riding in the fast lane, listen...
I'm just riding in the fast lane listen...
Said I'm riding in the fast lane, listen to the...
