[Game - Verse 2]

How many bitches in the club just to f-ck a platinum rapper
Poking microscopic holes into the Magnum rappers
Hoping on the dick but I aint throwing carrots at ya
You aint gon' Worldstar me I aint your average rapper
You drinking all the Goose then bitch I aint finna pay
You don't look like your Twitter avatar anyway
Bitch you look like an Avatar anyway
And that's the same bitch that was stalking Fab' aint it
Trey? (Yup)
And this is how I know you're giving free head
If you was getting paid, the bottom of your shoe would be red
But it aint, she claiming she a saint
But as soon she see Dwight she go hard in the paint
But her girlfriend the type you wanna take home
Throw a little Drake on it really shouldn't take long
Then she told me that she wanna meet Trey Songz
I told that bitch strip and start singing all Trey song's

Chorus

[Chorus - Trey Songz]

I do it cause they love it
If you hate it bitch who give a f-ck I made it
(Oh, Oh, Oh, Ohhhh)
Plus I do it for the ladies
Somebody say they wanna have my baby
(Oh, Oh, Oh, Ohhhh)
She said she wanna have my baby
(Oh, Oh, Oh, Oh)
Who tryna have my baby
She said she wanna have my baby
She said she tryna have my baby
