Game:

Now everybody wanna know the truth about a nigga name Game I come from the hub and every ghetto aint the same alot of people already know exactly where its at 'cause its the home of the jackers and the crack (Compton) yah thats the name of my homtown im throwin down in the town where my name is all around and niggas just be hatin and shit thats a pity but i aint doin nuttin but claimin my city

JT:

Where they actin a fool and they carry them tools them sick dudes in the streetz of Compton where i found the Game he was stackin his change to maintain in the streetz of Compton took a trip to the scope got low for the doe and feel mo from the streetz of Compton now hes stackin his bread never run from the feds they shake dreads in the streetz of Compton.

Game:

See my lyrics im doublin up provin the suckas i get threw em passin the natural ????? 6 or 8 before i go not really in to freestylin or tryin to promote viloence but they gotta know about the 5-5-4 so thats how im livin I do as i please b a young gangster puttin work on these calli streetz and everybody know that you gotta be stompin if you born and raised in Compton.
