Mother I'm the castaway  
washed up on the beach  
of defeat by the waters  
where the warm sand will Caress  
My thoughts and comforts from Doubt  
my friend ideology  
didn't make it she sank  
during the storm

Forever and ever  
out of control  
Forever and ever  
we'll fight to break down the walls

Mother lead me  
I've fought for so long  
to break the walls  
now I'm afraid of the fields  
My feet are stuck in the quicksand of Depression  
but you know that going is the only way  
for those who have found  
their house burning down

Forever and ever  
out of control  
Forever and ever  
we'll fight to break down the walls

Mother help me  
the merchants at the Temple  
are building an alibi  
for the slaughter  
Last night m brothers  
flew over the border  
but fire devoured  
their tin wings

Forever and ever  
out of control  
Forever and ever  
we'll fight to break down the walls
