People fight  
on the streets tonight  
and I've thrown  
my guns  
out of the windows  
My love affairs  
are not making noise  
and I, being wrapped into my skin  
am waiting for the last cry

Goodbye my friends  
I'll be on tracks of the tears  
Goodbye my friends  
wrapped up now into my skin  
I'll be on tracks of the tears

I've been in the desert  
for two days  
solitude has taken care  
of my wounds  
but confusion  
was stunning me with scent  
and now I'm ready to flyght  
under another sky

Goodbye my friends  
I'll be on tracks of the tears  
Goodbye my friends  
wrapped up now into my skin  
I'll be on tracks of the tears
