Thunder  
Shattering bone  
Raging fury  
Eyes as hard as stone  
Power  
A murderous rage  
Bloodlust  
A fire in his brain  
Blood  
Running dark  
Thunder  
The blow that finds the mark  
Fearsome  
His face unknown  
The dealer  
Of death has finally come  
Death dealer  
Lord of shadow  
Lord of fear  
Death dealer
