Well I don't know why
It makes me cry
And I don't know how we
Came to be

When I think back on
The things we done
So far away from
Where we were

And I don't know when
I'll feel again
Like this might
Be worth my while
And I don't know if
I'll ever see
Just what it is
You went running for

Got some things to do
Need some time alone
Think we'll make it through
Baby, I don't know
Taken for granted, yes and
Misunderstood
If you're going to love me girl
Well then you better love me good

It was a night like this
When I first felt your kiss
And the line was drawn
To set our dreams upon
Oh well it's hard to tell
Exactly why you fell
But just like dominos
Hit one, the whole thing goes
Was that line too high?
Or was our love a lie?
And it's a crying shame
But only you're to blame
Or were the dreams we made

Just some old game you played?
So what's the big idea
Of you crawling back to me?

Chorus

Well I don't know why it makes me cry
When I think back on the things we done
And I don't know when I'll feel again
Like this might be worth my while

Love me yeah, love me good
Love me yeah, love me good
