Don't know why  
I run and hide  
Make myself so lonesome  
You just say,  
"That's okay.  
Hey babe I'll catch you later."  
It took a while  
To put it all together

You can't change somebody  
With your love no matter  
How right your are  
We are who we are

The sidewalks teem  
With sunlight beams  
A thousand rainbow colors  
Private parts  
Troubled hearts  
All searching for the answer  
Faded dreams  
And broken hearted laughter  
But now I know

You can't change somebodyâ€¦

Twilight fades  
Another day  
Converted into memory  
We discuss  
The change in us  
I've never been this happy  
It took some time  
To put it all together  
But now I knowâ€¦

You can't change somebodyâ€¦  
No matter how bright your star  
No matter how fresh your scar  
We are who we areâ€¦
