No arms can ever hold you
Like these arms of mine

No arms can ever hold you
Like these arms of mine
(Like these arms of mine)
No heart can ever love you like this heart of mine
(Like this heart of mine)

My dreams can all come true
If you care for me
This love that I feel for you
Was just meant to be

No lips can ever kiss you
Like these lips of mine
(Like these lips of mine)
No one can ever offer
What I offer you

My heart, my love
Are yours
'Til the end of time

No arms can ever hold you
Like these arms of mine

My heart, my arms
Are yours
'Til the end of time
No arms can ever hold you
Like these arms of mine
