Oh, my wonderful one
How I adore you
Through the day and the night
I'm longing for you
Won't you tell me you care
Oh, I implore you
While the stars above shine
Oh, a new world I'll find
If you'll tell me you're mine

Oh, how I wanted to tell you my dear
Just what I feel in my heart

Oh, my wonderful one
How I adore you
Through the day and the night
I'm longing for you
Won't you tell me you care
Oh, I implore you
While the stars above shine
Oh, a new world I'll find
If you'll tell me you're mine

I met a kind gentleman at a dance at which I was singing, and he loved this particular song. He speaks very broken English, but he thought that he knew the song in Spanish. If someone can help me, I would appreciate it . mrs2ba
