Way off down the road  
There comes Wagon Red  
Found himself a nickel  
Went straight to his head  
Get on down  
Get on down  
Get on down  
Whoa  
I looked out my window  
I saw Medium Joe  
Lighting both ends of his candle  
Glowing from head to toe  
Get on down  
Get on down  
Get on down  
Whoa  
New car cherry tomato

Pulled off all the doors  
Pulled off the steering wheel  
Got the pedal taped to the floor  
Get on down  
Get on down  
Get on down  
Whoa  
Get on down  
Get on down  
Get on down  
Whoa  
Get on down  
Get on down  
Get on down  
Whoa  
Get on down  
Get on down  
Get on down  
Whoa  
Get on down  
Get on down  
Get on down  
Whoa
