I don't want you to be no slave  
I don't want you to work all day  
Oh, I don't want you to be true  
I just wanna make love to you now, baby

Love to you  
Love to you

All I want to do is cook your bread  
To make sure, baby yeah, you're well fed  
I don't wanna see you, girl, sad and blue  
I just wanna make love to you, baby

Love to you  
Gotta make love to you child  
Love to you  
I just said love to you

I can tell by the way that you walk that walk  
I can tell by the way that you talk that talk  
Well, I can tell by the way that you treat your man  
That I can love you, mama, it's a crying shame

I don't want you to be no slave  
I don't want you, girl, to work all day  
All I want you to be as true  
I just wanna make love to you

Well, I can tell by the way that you talk that sweet talk  
I can tell by the way that you walk that pretty walk  
Hey, I can tell by the way that you treat your man  
That I can love you, mama, it's a crying shame

All I want to do is cook your bread  
To make sure, baby yeah, you're well fed  
I don't wanna see you, girl, sad and blue  
I just wanna make love to you now child

Love to you  
Gotta make love to you, oh yeah yeah  
Love, love, love  
I've gotta keep on makin' that love

Love to you, girl, I said talkin' about that love  
Yeah, yeah, yeah
