How much do I owe you?  
I'll pay but I don't want to  
Go where I go to  
Days of where I came from  
In a restaurant in Mexico

Told me not to drink the water  
And not to touch the food  
All we got is Pepsi Cola  
And we know that it won't hold you

But remember what we told you  
No one else knows what's in store  
Remember that we told you

How much do I owe you?  
I'll pay but I don't want to  
Go where I go to  
Days of where I came from  
In a restaurant in Mexico

Told me not to drink the water  
And not to touch the food  
All we've got is Pepsi  
And we know that it won't hold you

But remember what we told you  
No one else knows what's in store  
Remember that we told you
