Little dirty distraction  
Little lovey low  
Little monkey attraction  
Just about to explode

Lights go up, lights go down  
Thoughts start to corrode  
An unpopular faction  
Keep the voices low

Had a reaction to the video  
Vile, vile  
Just one deep breath and it's a way to go  
Vile, vile, vile, vile, vile

Time to put on the blinders  
Bread's covered with mold  
Check's in the garbage  
Movie's getting old

Lights go up, lights go down  
Thoughts start to corrode  
Unpopular faction  
Keep your voices low

Had a reaction to the video  
Vile, vile  
Just one deep breath and it's a way to go  
Vile, vile, vile, vile, vile

Vile  
Vile

Medieval contraption  
Prehistoric spell  
Some reptilian action  
It's invaders from hell

Lights go up, lights go down  
Thoughts start to corrode  
An unpopular faction  
Keep the voices low

Had a reaction to the video  
Vile, vile  
Just one deep breath and it's a way to go  
Vile, vile, vile, vile, vile

Had a reaction to the video  
Vile, vile  
Just one deep breath and it's a way to go  
Vile, vile, vile, vile, vile  
Vile, vile, vile
