You're the one and the everyone  
Got a list of the things that you've done  
Life's dirty and you know that it's true  
Take a look at what is coming out of you

You love me, you love me, you love me  
My lamb, hoverin' in the moonlight  
You love me, you love me, you love me  
My lamb, hoverin' in the moonlight

Livin' cheap and it's everyone  
Never met, I feel that it's in you  
Ever think that it's everything wrong  
In a world that's totally blasted

You love me, you love me, you love me  
My lamb, hoverin' in the moonlight  
You love me, you love me, you love me  
My lamb, hoverin' in the moonlight

Livin' cheap, it's everyone  
Never met, the feeling is in you  
Ever think that it's everything wrong  
In a world that is totally plastered

You love me, you love me, you love me  
My lamb, hoverin' in the moonlight  
You love me, you love me, you love me  
My lamb, hoverin' in the moonlight

You love me, you love me, you love me  
My lamb, hoverin' in the moonlight  
You love me, you love me, you love me  
My lamb, hoverin' in the moonlight
