It really hurts me now  
When I start to think about you  
Oh how it hurts me now.  
Knowing I have to live without you

But why should I cry  
You never said that you really loved me  
But why should I cry  
You never said you'd be waiting for me

I can remember when  
We walked along holding hands now  
Our favorite songs back then  
I still play at home but I'm all alone now

But why should I cry  
You never said that you really loved me  
But why should I cry  
You never said you'd be waiting for me

But why should I cry  
You never said that you really loved me  
But why should I cry  
You never said you'd be waiting for me

But why should I cry  
You never said that you really loved me  
But why should I cry  
You never said you'd be waiting for me
