How many times  
I wake up at night  
Feeling so scared  
So why cannot find  
So why cannot find  
The true love of mine?  
How many times  
I waited to share  
This kind of feelings  
But you were not there  
So why cannot find  
The true love of mine?  
How many tears  
Fell down from my eyes  
How many fears  
Grew up in my mind  
So why cannot find  
The true love of mine?  
How many times  
I waited to share  
This kind of feelings  
But you were not there  
So why cannot find  
The true love of mine?  
I wish you could see  
I wish you could feel  
I wish you could be  
I wish you could be  
The true love of mine  
How many times  
I wake up at night  
Feeling so scared  
So why cannot find  
So why cannot find  
The true love of mine?  
How many times  
I waited to share  
This kind of feelings  
But you were not there  
So why cannot find  
The true love of mine?  
I can't take it anymore

I can't take it anymore  
I'll not have you anymore
