Here he comes
The boy I'll always love
He's the one
That I've been dreaming of
He's my pride
He's my joy
He's my one and only Jimmy boy
(Jimmy boy, Jimmy boy)
He's my one and only Jimmy boy

Other girls watch him walking by
Bet they wish Jimmy was their guy
He's my pride
He's my joy
He's my one and only Jimmy boy
(Jimmy boy, Jimmy boy)
He's my one and only Jimmy boy

It seems my love for him gets stronger each day
And I keep waiting for the time that I will hear him say

Do you know I want to marry you
'Cause in time I'll know my love is true

He's my pride
He's my joy
He's my one and only Jimmy boy
(Jimmy boy, Jimmy boy)
He's my one and only Jimmy boy

(Sax solo)

He's my pride
He's my joy
He's my one and only Jimmy boy
(Jimmy boy, Jimmy boy)
He's my one and only Jimmy boy
He's my one and only Jimmy boy
(Jimmy boy, Jimmy boy)
He's my one and only Jimmy boy
