Yeah, yeah, yeah, now

Me and my woman, sitting in the backyard
Observing creation, penetrating creation

/: Tell you that the moon shine so bright
And the stars keeps twinkling in her eyes :/

So I foresight, foresight holy, holy Mount Zion
Yes I foresight, foresight holy, holy Mount Zion
It's a-beautiful I wanna reach there and tell you

Gather the, gather the sheep that gone astray
I want you gather the, gather the sheep that gone
astray
We want to ride on the same boat

So I foresight, foresight holy, holy Mount Zion
Yes I foresight, foresight holy, holy Mount Zion
It's a-beautiful I wanna reach there and tell you
