Rasta, rastaman vibration  
Calling, calling all the nation  
Rasta, rastaman vibration  
Calling, calling all jah people  
All day long yes  
All night long yes  
In this time  
You got to be wise  
In this time  
You got to be strong  
Is this strong who always survive  
It's the big fish  
Who always eat up the small fish

Rastaman vibration  
This is civilisation  
Need good concentration  
Need good meditation  
In this congregation

What a situation  
Stop the segregation  
We are all jah people  
Living creation  
Yes we are jah soldiers  
We must live together, eh!

Rastaman vibration  
This is civilisation  
Need good concentration  
Need good meditation  
In this congregation  
What a situation  
Stop the segregation  
We are all jah people  
Living creation  
Yes we are jah soldiers  
We must live together, eh!

Rastaman vibration
