Go 'way from deh, you a boo-boo dey
A girl like you is a big disgrace
'Cause only when you see money, your eyes begin to
shine

But when it low, your face start screw
You and your friends begin to plan
So John, Tom, Dick and Harry can come take you for a
ride

Hey, woman I didn't know you were a cheater
When you see money, you, eyes begin to shine

I found you out. People will too.
Your name soon be around from post to post
They soon call you nothin' but a big boo-boo dey

A big boo-boo dey, 'cause that's what you are
'Cause you been goin' around from boast to boast
Your friend said it's a big disgrace unto the human
race
The way you goin' around girl, you soon left standing in
the red

Woman, I didn't know you were a cheater
When you see money, your eyes begin to shine.. .
