1) Anywhere at all girl you can fling it gimme - all right
Anywhere at all girl you can fling it gimme - all right
On the floor, on the ground
Up the hill, down the hill
Me on top, a real live jack
Where I am, there I stand

2) Anywhere at all girl you can fling it gimme - all right
Anywhere at all girl you can fling it grimme - all right
Once a man, twice a child
Me no spare no rod and spoil no child
Foolish game me no play
My name is Mister Spareth Not

Anywhere at all girl you can fling it gimme - all right
Anywhere at all girl you can fling it gimme

(repeat)
