Oh yeah oh yeah  
I am only trying to find out  
Just what is going on in your life  
I have heard that  
Your back is against the wall  
Struggling for help  
Oh yeah oh yes

Sorry baby  
You're the one to be blame  
For all those mistakes  
You have made  
You have jump out  
Of the frying pan yes  
Right in the fio. Fire oh yes

Running around  
Don't make no sense  
Just playing a clown  
Of course yes  
You don't know  
What life is made of  
So you must reap what you sow yes

I am only trying to find out  
Just what is going on in your life  
I have heard that  
Your back is against the wall  
Struggling for help  
Oh yeah oh yes

Now your friends have left you  
They have turned against you  
You don't know what to do  
Now you say you're sorry  
Now you run come cryin'  
But that won't help  
Oh no oh no

Oh yeah oh yeah  
I am only trying to find out  
Just what is going on in your life

I have heard that  
Your back is against the wall  
Struggling for help  
Oh yeah oh yes

Sorry baby  
You're the one to be blame  
For all those mistakes  
You have made  
You have jump out  
Of the frying pan yes  
Right in the fire. Fire oh yes

Running around  
Don't make no sense  
Just playing a clown  
Of course yes  
You don't know  
What life is made of  
So you must reap what you sow yes
