Let Jah be praised
Morning time, evening times
Every minute of the day
Every time yeah

Let Jah be praised and over and over
Don't stay there and big shot
You better watch that and come over
Right now

Let Jah be praised
What's that on your mind
See you carry that heavy, heavy load
Throw it away now, away now, away now

1-2
You better pull your screw
4-5
Let's keep Jah alive
7-8
Creation is great
So don't be too late
With sweet harmony yeah
Let Jah be praised
Oh listen to Jah music now

Remember I'm not a preacherman
Remember I'm not a teacherman
I'm only singing you my song, oh yeah
Don't want Jah glory goes to waste.....
