"Mine For All Time"

How many times must I tell you, my dearest
You're the one I love, you're the one I love the best
Want you to be mine for all time

See, lonely teardrops falling down like raindrops, baby
Want you to love me, want you to care for me
Want you to be mine for all time

Seems you don't know, you're my little dove
Want you to know, you're the one I love
Stick by me and I'll stick by you
I'll never ever let you blue
Stick by me and I'll stick by you, my love, my love

(repeat all)

Want you to be mine for all time
Want you to be mine for all time
