Na na na na na na na
Alright

Naturality is a style that I dig
So stop goin' around and acting as if it's you alone
exist
Because you drive a big car with lots of chair that's
attractive
So you believe in style that haven't no design

Na na na na na na na
Alright

Yes I'm a walk foot man - lot's of foundation
Naturality makes me the man that I am
Yes I'm proud - all the people will see
That naturality is the best of any design

Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride
Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride

Lemme tell ya!
Na na na na na na na

Naturality is a style that I dig
So stop goin' around and acting as if it's you alone
exist
Because you drive a big car with lots of chair that's
attractive
So you believe in style that haven't no design

Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride
Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride
