No rice and peas for dinner tonight
The ghetto people can't afford the price
Every thing gone pon sky high
You know what I mean (oeh)
Who feels it knows it Lord
Rain a fall but the dutty tough
Water is more than flour (oeh oeh)

People just a run up and down
Them just a run up and down
Don't kow what to do
High prices a mash up the place
Every thing gone sky high
Like rockets shoot off in the air
Hear me while I sing yeah

No rice and peas for dinner tonight
The gheto people can't afford the price
Every thing gone pon sky high
You know what I mean (oeh)
Who feels it knows it Lord
Rain a fall but the dutty tough
Water is more than flour.....
