Do you, do you  
I never, never ever felt this way  
Not in my life before  
Visions through the power of the Most High  
Thy rod and thy staff protect me  
Through the night I go to sleep  
And wake me up safe and sound  
With Jah before us, who can be against us?  
Oh no, oh, oh no, not one  
I will forever sing praises  
I will forever be content  
I know my troubles are over  
All my joys coming over

I never, never ever felt this way  
Not in my life before  
Visions through the power of the Most High  
Thy rod and thy staff protect me  
Through the night I go to sleep  
And wake me up safe and sound  
With Jah before us, who can be against us?  
Oh no, oh, oh no, not one

Do you feel what I feel?  
Do you know, do you know what I know?  
Do you feel what I feel?  
Do you know, do you know, do you know what I know?

I will forever sing praises  
I will forever be content  
I know my troubles are over  
All my joys coming over

Never, never ever felt this way  
Not in my life before  
Visions through the power of the Most High  
Thy rod and thy staff protect me  
Through the night I go to sleep  
And wake me up safe and sound  
With Jah before us, who can be against us?  
Oh no, oh, oh no, not one

I will forever sing praises  
I will forever be content  
I know my troubles are over  
All my joys coming over

Never, never ever felt this way  
Not in my life before  
Visions through the power of the Most High

Hey, do you know what I know?  
Do you feel, do you feel, do you feel what I feel?  
Do you know what I know?  
Do you feel, do you feel, do you feel...
