Nyabingi marching on under the red, green and gold

Nyabingi marching on to the promised land we love
Africa, our home, we must go

Nyabingi marching on under the red, green and gold
Nyabingi marching on under the banner of love

This is the call from the niyaman
Take up thy bed and walk
Freedom is just around the bend

This is the call from the rastaman
Take up thy bed and walk
Freedom is just around the bend

Nyabingi marching on under the red, green and gold
Nyabingi marching on under the banner of love
