Hoverin' by my suitcase, tryin' to find a warm place to  
spend the night  
Heavy rain fallin', seems I hear your voice callin' "It's all  
right."  
Rainy night in Georgia, such a rainy night in Georgia  
Look like it's rainin' all over the world  
Lord, it's rainin' all over the world

Neon lights a-flashin', lots of cabs and buses passin'  
through the night  
A distant moanin' of a train plays a very sad refrain to  
the night  
Rainy night in Georgia, such a rainy night in Georgia  
Look like it's rainin' all over the world  
Lord, it's rainin' all over the world

/:How many nights I wondered  
But it still works out the same  
No matter how she looks at you and she knows it,  
darling  
It's life and you just got to play the game

I find me a place in a box car, get my guitar to pass  
some time  
Late at night I go to rest  
I hold your picture to my chest and I feel fine  
Rainy night in Georgia, such a rainy night in Georgia  
Look like it's rainin' all over the world  
Lord, it's rainin' all over the world
