Youth of today stops(?) ability  
Their delight is indefensible  
There's a Messiah, looking out  
So careful what you have done

I say don't do it my brothers  
Follow Babylon teaching  
All wanna go to Mount Zion  
Rally round the Red Green and Gold

In days of old, it were not so  
Man used to live in love  
What happen to the youths of today ?  
Seems like that they all goin' mad

I say don't do it my brothers  
Follow Babylon teaching  
All wanna go to Mount Zion  
Rally round the Red Green and Gold
