Music in my head  
Beating like a bell  
Music in my head  
Playing like a bass  
Doh ray me fah soh  
Lah te doh

When you know the notes  
You can sing  
In a different style  
Riddle me this  
Riddle me

Doh ray me fah soh lah te doh  
Doh ray me fah soh lah te doh  
When you know the notes  
You can sing  
In a different style

Riddle me that  
Why de whole world love reggae  
So  
Just play it again right  
From de top (sing)
