Talk it here and I will talk it there - everywhere  
Jah Jah children is lifted on higher calling - calling  
Never seen the righteous man be forsaken - forsaken  
Neither does it see his seed beg your bread, your  
bread - no no  
I and I are separated from the heathen  
We always meet in one meditation, hey  
Lick we cup and I chant to Jah

Giving thanks and praises unto the most high - most  
high  
Jah guide, Jah bless and keep up  
No evil doers shall overcome us, no  
Blessed is I who behold a man in his fullness - fullness

So daughters of Israel come gather around us - around  
us  
Learn the truth and rights of the wisdom - wisdom  
Which is love and overstanding, yes  
Love and overstanding.....
