You already in the race don't you give up your time will  
come

The race is not for the swift but for the smart  
When things get rough on you don't get upset  
Just keep a smile with love in your heart  
One day I know the good lord will help you out

Just hold your head up high  
With love in your heart with a song in your thought  
Love your fellow man treat every one good  
Blessed are the meek for they shall inherit the earth  
But those that exalted themselves shall be  
abased.....
