There is no reason
For giving up now
When you're so close
To your destination
You're a winner
If you can play the game
The way a game should play
Fair and straight, straight

Hear me man
This is your chance
Give, it the best you've got
Don't say you are a loose
You were born a winner
I am in this game
To win. Not to loose. Not to loose

What is for you is for you
And no one can take
That away from you
It is written and so shall it be
What you sow is what
You shall reap, reap

Hear me man
This is your chance
Give, it the best you've got
Don't say you are a loose
You were born a winner
I am in this game
To win. Not to loose. Not to loose

There is no reason
For giving up now
When you're so close
To your destination
You're a winner
If you can play the game
The way a game should play
Fair and straight, straight

Hear me man

This is your chance
Give, it the best you've got
Don't say you are a loose
You were born a winner
I am in this game
To win. Not to loose. Not to loose

What is for you is for you
And no one can take
That away from you
It is written and so shall it be
What you sow is what
You shall reap, reap
