Oh, yes, can't run, you can't run

Naturality is a style that you know that I dig
So stop goin' around and acting as if you alone exist
Because you drive a big car with lots of chair that is so
attractive

So you believe in style that haven't no design
ey!

Na na na na na na na

Na na na na na na na

What did you say ?

Na na na na na na na

Na na na na na na na

Yes I'm a walk foot man - lot's of foundation

Naturality makes me the man that I am

Yes I'm proud - all the people will see

Naturality is a style that that I dig

Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride

Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride

Naturality is a style you knowthat I dig

Stop goin' around and acting as if it's you alone exist
Because you drive a big car with lots of chair that's so
attractive

So you believe in style that haven't no design

Na na na na na na na

Na na na na na na na

Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride
Shades will wear off, but naturality always stands
Stylish enough but a man can't hide from his pride

I like it, I do...
