Whoi yi yi  
Whoi yi yi eh !  
Watch and pray  
For I shall come  
Like a thief in the night  
Watch and pray  
For I shall come  
Like a thief in the night

Look into yourself mankind  
Can't you see  
That his time is near  
Can't you see that his hand is writing upon the wall  
When his time is near  
You shall see  
Signs and wonders  
Two shall in bed sleeping  
And one  
Shall be taken away

As small as a flee is  
Inna opresser opresser collar  
It's not safe  
For when I shall come  
It shall be terrible and dread  
Amongst men

Watch and pray  
For I shall come  
Like a thief in the night  
Watch and pray  
For I shall come  
Like a thief in the night

As small as a flee is  
Inna opresser opresser collar  
It's not safe  
For when I shall come  
It shall be terrible and dread  
Amongst men

Watch and pray

For I shall come  
Like a thief in the night  
Watch and pray  
For I shall come  
Like a thief in the night

You better watch out  
Watch and pray now  
You better watch out  
All you backbiters  
You better watch out  
Workers of inequity  
You better watch out fornicators

Watch and pray  
For I shall come  
Like a thief in the night  
Watch and pray  
For I shall come  
Like a thief in the night
