Got no time to stop to speak to friends passing by
Got no strength to wipe away the tears from my eyes
I don't care what's going on
Only know she's gone
The sun don't shine anymore
And I don't feel fine anymore
She ain't mine anymore
No, I don't feel fine anymore
I Ain't got time anymore

Seems to be such sadness in each place I go
The people laugh and still I just wouldn't know
Never stop to see who's there
Once I used to care
But the sun don't shine anymore
I don't feel fine anymore
She ain't mine anymore
No, I don't feel fine anymore
I Ain't got time anymore

I can't get use to being left on my own
It takes up all the time just trying to be alone
Used to take an interest in the state of affairs
Now I only know how much I'm missing that girl
Hope the world will understand
I can't lend a hand
'Cause she ain't mine anymore
I don't feel fine anymore
She ain't mine anymore
No, I don't feel fine anymore
Ain't got time anymore
She ain't mine anymore
I don't feel fine anymore
Ain't got time anymore
She ain't mine anymore
No, I don't feel fine anymore
