I stand accused of loving you too much
I hope, I sure hope it's not a crime
Cause I'm guilty
Oh, I hope that I never have to testify
If I do, everyone's gonna cry
That boy is guilty of loving you
And though you belong to another
And I may not stand a ghost of a chance
I'll tell the world that I love you
And I'm a victim of circumstance
Log on to kill this message.
That's been proven guilty, oh, yes, I am
Did you know one touch of your hand
And I find myself on the witness stand
Shouting out all over the land
Hey, hey, I'm guilty, guilty of living you
I'm guilty but what can I do
I wanna hold you...
